INTRODUCTION

In order to minimize costs, most of this booklet is produced by an automated typesetting and printing system. Not all of the schedules are in numerical order, so check carefully to see where your line appears in the booklet.

The timetable booklets are published at least twice a year, and the cover of each edition shows the effective date and a different color for easy identification. We try to keep the information in this booklet as up-to-date as possible. However, schedule, fare, and other information in this booklet is subject to change before the next edition.

SERVICE CHANGES

SERVICE CHANGES

Metro Streetcar Service — Until this fall, the last service at all of the Metro stations on weekday evenings will be between 9:45 and10:00 p.m. On Sunday evenings, the last service at the Embarcadero, Montgomery St., Powell St., and Civic Center stations will be between 10:40 and11:00 p.m. The Metro stations are closing early on these days because of late evening construction in the subway that will allow for improved passenger service and safety. Please see the weekday Metro Owl timetables for late weekday-evening motor coach service on the Metro lines.

Construction at San Francisco State University and Stonestown for Phase II of the 19th Avenue Platform & Trackway Improvement Project is scheduled to begin on July 30th and continue until next January.

SERVICE NOTES

Weekday schedules — the following symbols refer to schoolday and non-school-day service:
S - service operates only on school days.
N - service operates only on non-school days.

Sunday schedules are also operated on —

New Year's Day	Labor Day
Memorial Day	Thanksgiving Day
The 4th of July	Christmas Day

"Limited" coaches operate on the 14, 28, 38, and 71 lines, making fewer stops and providing quicker service. Look for an "L" in the left column of the timetable.

"Express" coaches make stops in their areas of origin and then run non-stop to their destinations. Express services run only on weekdays, and except for the 9X San Bruno Express, only during morning and afternoon rush hours. Look for an "X" in the left column.

"A" and "B" Expresses — Many of the express lines are divided into "A" and "B" sections. On weekday mornings, the A and B expresses make stops in their own sections and then travel non-stop to downtown, where they make the same stops. In the afternoon, they make the return trip from downtown to their respective areas. Look for an "A" or a "B" in the left column.

"Timed-Transfer Connection" — Certain evening and early morning connections, where indicated, are scheduled with a time overlap to assure that passengers can easily transfer from one line to another. For example, 43- and 44-line ser-

vice is scheduled to overlap at Forest Hill Station in the evening and early morning hours.

Animals on Muni

Animals are allowed to ride on Muni vehicles from 9 a.m. to 3 p.m. and from 7 p.m. to 5 a.m. on weekdays, and all day on Saturdays, Sundays, and holidays. Dogs must be muzzled and on a short leash or in a closed container. Other animals must be carried in closed containers. Only one animal may ride per vehicle.

Persons boarding with an animal must pay the same fare for the animal as they do for themselves.

The above regulations do **not** apply to service dogs for the disabled. Any number of these service dogs may ride free at any time. The service dogs do not have to be muzzled, but must be on a leash. It is recommended that the service dog's picture be shown with its owner's in the photo on the Regional Transit Connection Discount Card.

"Carry On" Items

Muni operators may refuse to allow articles on board that could create a nuisance or cause harm. Food in open containers or poorly protected containers (such as coffee or soft drinks in paper or styrofoam containers, whether covered or not) may not be allowed on board.

Bicycles are not allowed on Muni vehicles. Other large objects may be allowed on at the discretion of the operator, but aisles and doorways must be kept clear at all times. If a baby stroller is allowed on board, the child must be removed from the stroller and the stroller folded up while it is on the vehicle.

INTRODUCTION

In order to minimize costs, most of this booklet is produced by an automated typesetting and printing system. Not all of the schedules are in numerical order, so check carefully to see where your line appears in the booklet.

The timetable booklets are published at least twice a year, and the cover of each edition shows the effective date and a different color for easy identification. We try to keep the information in this booklet as up-to-date as possible. However, schedule, fare, and other information in this booklet is subject to change before the next edition.

Muni Information — for information you don't find in the timetable book, call Muni's Telephone Information Center — 415/673-MUNI.

SERVICE CHANGES

Early Metro Station Closings — Until late this year, the last service on **Sunday and weekday evenings** at the Embarcadero, Montgomery St., Powell St., and Civic Center stations is between 10:40 and 11:00 p.m. The Metro stations are closing early on these days because of late evening construction in the subway that will allow for improved passenger service and safety. For the remainder of the Metro service hours, motor coach shuttle service is being provided between the Van Ness Ave. Station and Muni's Ferry Terminal at the foot of Market St. The shuttle operates every 6 minutes, 10:46 p.m. to 12:34 a.m. from the Ferry Terminal and 11:07 p.m. to 12:31 a.m. from the Van Ness Ave. Station. **On Saturday evenings,** all of the Metro stations will close at their usual time, approximately 12:30 a.m.

19th Avenue Platform & Trackway Improvement Project — Construction at San Francisco State University and the Stonestown Galleria Shopping Center for Phase II of the project began on July 30th and will continue until next January. M Ocean View streetcar service has been temporarily cut back to St. Francis Circle, with motor coach shuttle service being provided between there and the Balboa Park BART Station. On weekdays, additional limited-stop service is being provided by M-line motor coaches between St. Francis Circle and S.F. State University. As of November 19th and until the end of the construction project, streetcar service will be extended to Stonestown, with motor coaches providing service on the rest of the line to Balboa Park.

SERVICE NOTES

Weekday schedules — the following symbols refer to school-day and non-school-day service:
S - service operates only on school days.
N - service operates only on non-school days.

Sunday schedules are also operated on —

New Year's Day	Labor Day
Memorial Day	Thanksgiving Day
The 4th of July	Christmas Day

"Limited" coaches operate on the 14, 28, 38, and 71 lines, making fewer stops and providing quicker service. Look for an "L" in the left column of the timetable.

"Express" coaches make stops in their areas of origin and then run non-stop to their destinations. Express services run only on weekdays, and except for the 9X San Bruno Express, only during morning and afternoon rush hours. Look for an "X" in the left column.

"A" and "B" Expresses — Many of the express lines are divided into "A" and "B" sections. On weekday mornings, the A and B expresses make stops in their own sections and then

travel non-stop to downtown, where they make the same stops. In the afternoon, they make the return trip from downtown to their respective areas. Look for an "A" or a "B" in the left column.

"Timed-Transfer Connection" — Certain evening and early morning connections, where indicated, are scheduled with a time overlap to assure that passengers can easily transfer from one line to another. For example, 43- and 44-line service is scheduled to overlap at Forest Hill Station in the evening and early morning hours.

Persons boarding with an animal that is not a service or helper dog for the disabled must pay the same fare for the animal as they do for themselves. These animals are allowed to ride on Muni vehicles from 9 a.m. to 3 p.m. and from 7 p.m. to 5 a.m. on weekdays, and all day on Saturdays, Sundays, and holidays. Only one of these animals may ride per vehicle. Dogs must be muzzled and on a short leash or in a closed container, and other animals must be carried in closed containers.

Muni operators may refuse to allow articles on board that could create a nuisance or cause harm. Food in open containers or poorly protected containers (such as coffee or soft drinks in paper or styrofoam containers, whether covered or not) may not be allowed on board.

Bicycles are not allowed on Muni vehicles. Other large objects may be allowed on at the discretion of the operator, but aisles and doorways must be kept clear at all times. If a baby stroller

INTRODUCTION

The timetable booklets are published at least twice a year, and the cover of each edition shows the effective date and a different color for easy identification. We try to keep the information in this booklet as up-to-date as possible, but schedule, fare, and other information in this booklet is subject to change before the next edition.

Muni Information — for information you don't find in the timetable book, call Muni's Telephone Information Center — 415/673-MUNI. With a Touch Tone phone, you can call 415/923-6336 after the Center's hours, and Muni's TalkTable computer information system will provide you with the time a vehicle on any one of Muni's lines is scheduled to leave a timepoint listed in its schedule.

SERVICE CHANGES

29 Sunset — The evening terminal for the 29 on 25th Ave. is now at Geary instead of California St. From the Geary terminal, the buses will continue on their northbound route before returning south.

32 Embarcadero and **42 Downtown Loop** — Because of construction on King St. for the Muni Metro Extension, the terminal for the 32 at the CalTrain Depot is now on 4th St. across Townsend from the depot. The terminal for the 42 in the Van Ness Ave. direction (Gold Arrow Loop) is also on 4th

the same, on Townsend at 4th St., at the depot.

the same, on Townsend at 4th St., at the depot.

Muni Metro — Metro stations are closing at about 10 p.m. because of construction in the subway. Afterwards, buses and streetcars provide service for the Metro lines on the surface of Market St. until the start of the regular Metro Owl bus service. Historic streetcar service is provided on the surface of Market St. for the J line, and bus service is provided for the N line. For the K, L, and M lines, bus shuttle service is provided to West Portal Station for connections to Metro streetcar service.

SERVICE NOTES

Weekday schedules — the following symbols refer to school-day and non-school-day service:

S - service operates only on school days.

N - service operates only on non-school days.

Sunday schedules are also operated on —

New Year's Day	Labor Day
Memorial Day	Thanksgiving Day
The 4th of July	Christmas Day

"Limited" coaches operate on the 14, 28, 38, and 71 lines, making fewer stops and providing quicker service. Look for an "L" in the left column of the timetable.

"Express" coaches make stops in their areas of origin and then run non-stop to their destinations. Express services run only on weekdays, and except for the 9X San Bruno Express, only during morning and afternoon rush hours in the rush hour direction. Look for an "X" in the left column.

"A" and "B" Expresses — Many of the express lines are divided into "A" and "B" sections. On weekday mornings, the A and B expresses make stops in their own sections and then travel non-stop to downtown, where they make the same stops. In the afternoon, they make the return trip from downtown to their respective areas. Look for an "A" or "B" in the left column.

"Timed-Transfer Connection" — Certain evening and early morning connections, where indicated, are scheduled with a time overlap to assure that passengers can easily transfer from one line to another. For example, 43- and 44-line service is scheduled to overlap at Forest Hill Station in the evening and early morning hours.

Seniors (age 65+), youths (age 5-17), and children (under age 5) may be asked for proof of age. A **Regional Transit Connection Discount Card**, allowing persons to be eligible for Muni's discount fare, is available for disabled persons with a doctor's certificate, for qualified veterans, and for holders of a valid Medicare card or California Department of Motor Vehicle Placard Identification Card. A **red dot** in the center of the discount card allows an attendant to ride for the discount fare. Regional Transit Connection Passes, Tickets, and Transfers

Passes:

The following passes are honored the same as a Muni monthly pass for Muni service:

An **AC Transit** monthly pass with a Muni sticker
A half-monthly **"BART Plus"** ticket
A **CalTrain** monthly ticket with a **Peninsula Pass**
A **Golden Gate Transit** Commute Discount Ticket Book with a Muni sticker
A **SamTrans** monthly pass with a Muni sticker

Tickets and Transfers:

Tickets for the **Alameda/Oakland Ferry** have "AC Transit", "Ferry", and "Muni" sections. The full ticket is honored as a Muni adult fare. The Muni stub of the ticket is honored as a Muni adult fare at certain stops near the Ferry Building and Pier 39. A full Muni transfer for bus or streetcar service will be issued on request with either the full ticket or the Muni stub. An additional $1 is necessary for cable car service.

BART-Muni Discount Tickets are two-part tickets issued at San Francisco BART stations for the Muni adult fare, with the first part good for one hour and the second part good for 72 hours for Muni service. A full Muni transfer for bus or streetcar service will be issued on request with either part of the ticket. An additional $1 is necessary for cable car service. (The two-part discount tickets are free at the Daly City BART Station, but are good for service only on Muni lines 28 and 54, with no transfers issued.)

CalTrain "Plus Muni" Tickets are honored as a Muni adult fare at San Francisco CalTrain stations, with a full transfer issued on request.

The **Golden Gate Ferry Transfer** is a two-part ticket good on the date indicated on the ticket. The "Ferry to Muni" portion is honored for service from the Ferry Building area, and the "Muni to Ferry" portion is honored for a return trip. Animals on Muni

al Transit Connection Discount Card.

Persons boarding with an animal that is not a helper dog for the disabled must pay the same fare for the animal that they do for themselves. These animals are allowed to ride on Muni vehicles from 9 a.m. to 3 p.m. and from 7 p.m. to 5 a.m. on weekdays, and all day on Saturdays, Sundays, and holidays. Only one of these animals may ride per vehicle. Dogs must be muzzled and on a short leash or in a closed container, and other animals must be carried in closed containers.

"Carry On" Items

Muni operators may refuse to allow articles on board that could create a nuisance or cause harm. Food in open containers or poorly protected containers (such as coffee or soft drinks in paper or styrofoam containers, whether covered or not) may not be allowed on board.

Bicycles are not allowed on Muni vehicles. Other large objects may be allowed on at the discretion of the operator, but aisles and doorways must be kept clear at all times. If a baby stroller is allowed on board, the child must be removed from the stroller and the stroller folded up while it is on the vehicle.

Additional Stops in the Evening

Between 8:30 p.m. and 6:30 a.m., additional passenger stops will be made either for boarding passengers, or for passengers on a transit vehicle at their request, at the nearside of any street intersection located between the regular stops. However, this rule does not apply to the following streets, where stops will be made only at the regularly designated stops at all times: Market St., east of Castro St.; Van Ness Ave.; Columbus Ave.; Ocean Ave.; and the north side of Lincoln Way, from 11th Ave. to 35th Ave., and at 46th Avenue.
